The Virgin Islands Domestic Violence and Sexual Assault Council (VIDVSAC) and the Family Resource Center of St. Thomas would like to personally thank all of our generous supporters, volunteers, benefactors, partners and staff for your recent contribution to our **Teen Dating Violence Prevention Awareness Motorcade on February 28, 2021.**

This Tri-Island Motorcade event could not have been a success without the dedication and hard work of people like you. I am happy to report that more than 81 cars and hundreds of community members came together to support the cause on all three islands. We were social distancing aware and mindful!

The cycling club on St Croix made a grand entrance and supported the motorcade all the way to the Budhoe Park in beautiful Frederiksted. The motorcade on St Thomas was a hit with classic cars showing off their stuff and a variety of Mustang, Volkswagen, Mini Cooper and vintage vehicle enthusiasts participated in this awareness event. The motorcade on St John had the assistance of the fire and rescue departments to guide their way!! We are fortunate to live in these US Virgin Islands!

We appreciate all of the support and continue to lead the way to eliminating interpersonal violence in our home!

USVI SAYS NO MORE
Together we can end Domestic Violence and Sexual Assault
The V.I. Domestic Violence & Sexual Assault Council (VIDVSAC) is partnering with V.I. Student Art Gallery to promote Teen Dating Violence Awareness and Prevention.

We invite youth to capture their artistic expressions to depict the theme Teen Dating Violence Awareness and Prevention capturing themes of concern, prevention and education about teen dating violence and ways to end it. This art contest is a creative call to reduce the incidence of teen dating violence and to make this crime socially and culturally unacceptable.

This Territory Wide Youth Art Competition invites individuals ages 12-24 to submit artistic renderings of their reactions, interpretations and reflections about teen dating violence.

A range of mediums and techniques may be used, including painting, sculpture, textiles, collage, and recycled materials.

Cash prizes will be awarded to the first and second place winners. First prize is $300 and Second prize is $175.

The deadline for art submissions is March 22, 2021 midnight. Decisions will be announced March 24, 2021.

The winning art will be displayed on March 26, 2021 at the Crucian Heritage & Nature Tourism (CHANT) Exhibit on St. Croix.
